

Indian Psychiatric Society Andhra Pradesh State Branch

INDLAS LIFETIME ACHIEVEMENT AWARD

Conferred upon

Dr. S. NAMBI

MBBS, DPM, MD (Psychiatry), D.Sc (Hon.)
Former Professor, Madras Medical College
Past President, Indian Psychiatric Society

With profound respect and admiration, the Indian Psychiatric Society - Andhra Pradesh State Branch takes immense pride in conferring the Indlas Lifetime Achievement Award upon Dr. S. Nambi, a doyen of Indian psychiatry, whose unwavering dedication, intellectual acumen and compassionate service have left an indelible mark on the field of mental health in India and beyond.

For over 46 years, Dr. Nambi has served as a clinician, teacher, mentor, administrator, and leader. As Professor of Psychiatry at premier Institutions and Consultant to several hospitals and social care homes in Chennai, he has touched countless lives with his clinical wisdom and humanistic approach.

A former President of the Indian Psychiatric Society, Dr. Nambi has held numerous leadership positions at state, zonal and national levels, guiding the organization with vision and integrity. He has been instrumental in shaping policies through his roles in the State Mental Health Authority and the District Mental Health Programme of Tamil Nadu.

Dr. Nambi's academic contributions span books, research, public health surveys, and over 50 national and international presentations, especially in Forensic and Geriatric Psychiatry, areas where he remains a leading voice. He has represented India in global psychiatric forums across five continents, bringing international visibility to Indian psychiatry.

His accolades include the IPS Lifetime Achievement Award, Best Teacher Award by MCI, and numerous prestigious orations and honors from national and state bodies.

Even beyond the academic realm, Dr. Nambi has devoted decades of service to society's most vulnerable—mentally ill prisoners, the elderly, destitute women and children—through his honorary roles in multiple charitable organizations.

In recognition of his lifetime of exemplary service, unparalleled academic and organizational contributions, and his unwavering commitment to the dignity and advancement of psychiatry, we are honored to present Dr. S. Nambi with the Indlas Lifetime Achievement Award.
